RE: HOUSE OF THIRTY REFERENCE LETTER

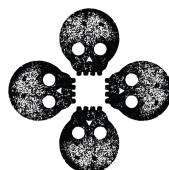

We have worked with the team from House of 30 for several events. The team are professional in their project management, clear in their communications and honouring each event's terms and conditions must be applauded.

Working with Junior Gwabeni has been a positive experience, he markets his events excellently. His events are very successful in both turnover and for marketing purposes bringing new customers to the venue to support the H30 events.

This dynamic team is reliable and very professional in their business relationships. We support their events in the future.

Kind Regards
